CERTIFICATE OF MAILING

I hereby certify that this paper or fee is being deposited with the United States Postal Service on the date indicated above and is addressed to: Mail Stop Patent Application, COMMISSIONER FOR PATENTS, P.O. BOX 1450, ALEXANDRIA, VIRGINIA 22313-1450.

May 3, 2004

Adrienne White
Adrienne White

Dear Commissioner:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Information Disclosure Statement be entered and the reference listed on attached Form PTO-1449 be considered by the Examiner and made of record.

This application is a continuation of U.S. Patent Application Serial No. 10/287,137, filed on November 4, 2002, which issued as U.S. Patent No. 6,666,988, and is incorporated by reference in its entirety. U.S. Patent Application Serial No. 10/287,137 is a divisional of U.S. Patent Application Serial No. 09/439,615, filed on January 14, 2002, which issued as U.S. Patent No. 6,508,955 and is incorporated by reference in its entirety. Application Serial No. 09/439,615 claims benefit to Provisional U.S. Patent Application Serial No. 60/108,315, filed November 13, 1998, which is a continuation-in-part of U.S. Patent No. 5,928,560, issued on July 27, 1999,

which is a continuation-in-part of U.S. Patent Application Serial No. 08/700,644, filed August 8, 1996, now abandoned.

In accordance with the waiver of 37 CFR § 1.98 (a)(2)(i) for submitting a copy of each cited U.S. patent and each U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003, copies of the U.S. patents listed on the accompanying Form PTO-1449 are not enclosed. Additionally, in accordance with 37 C.F.R. § 1.98(d), copies of the remaining references are not enclosed because they are already of record or cited by the Examiner in a prior related application.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed as an admission that the information disclosed is, or is considered to be, prior art to the present application or material to patentability as defined in 37 C.F.R. § 1.56.

The present Information Disclosure Statement is being filed prior to the receipt of a first Official Action reflecting an examination on the merits and hence is believed to be timely in accordance with 37 C.F.R. § 1.97(b). Accordingly, no fees are believed to be due in connection with the filing of this Information Disclosure Statement. Should any fees be deemed necessary, the Commissioner is hereby authorized to charge any fees due while this application is pending (except the issue fee) to Jenkins & Gilchrist Deposit Account No. 10-0447 (47097-00962USC1).

Respectfully submitted,

Date: May 3, 2004

John C. Gatz
